Memoriam

To Deanna Wert

We cannot say, and we will not say
That she is dead—she is just away!
With a cheery smile, and a wave of
the hand,

She has wandered into an unknown
land, . . .

Think of her still as the same, we
say:

She is not dead—she is just away!

ADMINISTRATION: *It Formulates Our Curriculum To*

L. S. BRUMBAUGH, retiring this year as Superintendent of Schools, successfully brings to an end his career of 43 years in the field of education.

Twenty-two years Mr. Brumbaugh served as principal of Kendallville High School and fourteen years as superintendent. Before coming to Kendallville, he had seven years teaching experience.

A native Hoosier, Mr. Brumbaugh received his A.B. degree from Indiana State Teachers College in 1917, after which he served overseas in World War I for one and one-half years. Continuing his education, he entered Columbia University and received his M.A. degree in 1925, majoring in school administration.

Besides being active in several civic organizations, Mr. Brumbaugh has been and still is active in many societies for school teachers and administrators both on state and national levels.

The members of the School Board, Robert Jack, Mrs. Ruth Mary Friend, and Merritt W. Diggins, along with Superintendent L. S. Brumbaugh strive to improve the school system.

Build Strong Character and Keen Minds . . .

ROYAL W. TRITCH, principal of the senior high school, finds time to help each individual with his needs.

FRANK J. SCHWAB, principal of the junior high school, assists the younger students adjust to the educational system.

Besides keeping the high school records, Mrs. Adele Ruderman, secretary to Mr. Tritch, also gladly helps the students.

As secretary to Mr. Brumbaugh, Mrs. Arlene Kurtz maintains official data for the entire school system.

Board of Control

The creating of a better high school is the main purpose of the Board of Control, which consists of the junior and senior class presidents, a boy and girl chosen by the student body, Mr. Tritch, and four teachers appointed by him. This body assists with activities not managed by the Board of Education and also discusses ideas from the Student Forum.

Row 1: Jim Morr, Jim Richm, Bill Diggins, Mr. Stonder, Mrs. Black, Karen Strayer, Irmaud Ahl. *Row 2:* Ted Wallace, William Finley, Tom Hornett, Dick Nartker, Anne Platner, Pat Streich, Gay Ann Flickinger, Nancy Mains, Richard Finley.

Student Forum

To provide an outlet for student opinions on school government, to maintain close co-operation between students and teachers, and to give training in leadership and citizenship are the aims of the Student Forum. Fourteen representatives from grades eight through twelve and two faculty advisors constitute the Forum.

ALDRICH MOTEL — Clare and Gwen Aldrich

In the Classroom

Students either prepare themselves for future academic studies or gain practical training for future work in curricular activities.

Above: Sewing in home economics is just one of the many elective courses a student may take to satisfy his tastes.

Below: English, the basis of our ability to communicate with others, is being taught in Miss Eminger's class.

BARKER'S FIRESTONE STORE, INC.

Above: David Tritch, David Aunsbaugh, and Ken Crowder find fun and exercise in their gym class.

Left: In physics class, Mr. Wilcox shows David Miller that science, too, is an interesting subject.

Below: The students in Mr. Reade's sixth hour U. S. history class are proud of their American heritage.

In the Classroom

BANNER GROCERY

Above: Study time prevails in Mr. Stouder's sixth hour biology class.

Right: Paul Van Wagner and Bob Fordeck discover that experiments in chemistry, which teach them many things, are also fun.

Below, left: Patricia Crowl and Janet Bollinger learn from Miss Stephens in general business class of the role they will play in the community.

Below, right: Mr. Metz teaches Jean Drerup and Colette Chaudoin some basic typewriting skills and fundamentals.

ATZ FURNITURE STORE

In Mr. McIntosh's sixth hour civics class the students are taught the functions of the American government.

In the Classroom

"Parlez-vous francais?" say Mrs. Black's French class and their visitor from France, Danielle Naras.

GARDNER'S PUBLIX CORNERS

Junior-Senior Banquet

"The Stork Club" was the scene of the annual Junior-Senior Banquet, which was given by the juniors under the guidance of their sponsor, Miss Bessie Power.

The little gym was completely transformed into a night club with pictures of honoraries (the senior class officers) gracing the wall behind the speaker's table. Delightful murals of dancers decorated the walls and silver curtains sparkled as they hung against the windows. The New York skyline was featured on the stage while miniature storks and candles adorned each table.

Jack "Benny" Lewis served as emcee for the great night. Mr. Wyman Finley, guest speaker, presented "On With The Show."

A promenade down Fifth Avenue preceded the dancing to the music of the Silhouettes.

The banquet is the highlight of the social events for juniors and seniors.

Senior Officers and History

We're Seniors! We are nearing the goal we set for ourselves when we were freshmen and chose Judy Thompson to lead our class.

Our number swelled as students from various grade schools joined us and the Freshman-Parent Night held the spotlight for our first year. As we became sophomores, we participated in more activities, beginning to take our place in school events.

Our Junior Convention, patterned after the national convention, was great fun as we campaigned for our candidates for class president. Our magazine sales topped all other previous classes, with Rena Ortstadt as high salesman. The Junior-Senior Banquet took a great deal of our time, but we thought it the best ever. The theme, which was our secret, did not leak out until only a few days before the big occasion.

Our senior year had just begun when we found ourselves in the usual senior scurry. We added the preparation of the yearbook to our other curricular and extra-curricular activities. We ordered all those things near to the hearts of seniors and planned for the final events of our senior year.

The four years of high school have sped by, but the many memories will always linger in our minds.

Junior History

Bob Hedges was elected president at the first meeting of the junior class. Mearl Hawkins was chosen vice-president; Gerry Anulies, secretary; and Judy Coleman, treasurer. The three students who were chosen to represent their class on the Student Forum were Jim Morr, Pat Streich, and Ted Wallace. Susie Charles became one of the varsity cheerleaders.

One big event in the junior calendar was the annual magazine sales. Four teams were elected with the following captains: Susie Charles, Shirley Blech, Linda Streb, and Sharon Haskins. The juniors this year sold an all time high of \$3,680, with Bill Whitcomb selling the most.

December was the month for which the juniors had waited since it was then they received their class rings, and, of course, displayed them with great pride.

The final event of the year was the Junior-Senior Banquet, which took much hard work on the part of the class and their sponsor, Miss Bessie Power.

Whenever it comes to work, the junior girls are always willing to help, as Karen Myers, assisted by Mr. Ortstadt, proves.

Rita Lung, Linda Streb, Sharon Haskins, Shirley Blech, Susie Charles, Bill Whitcomb, and Ronald DeVoe helped make the magazine sales tops this year.

SOPHOMORE HISTORY

The sophomores started their activities by electing officers: Larry Allen, president; David Tritch, vice-president; Judy Fritz, secretary; and Nancy Longyear, treasurer. Student Forum members, elected later, were Anne Platner, Richard Finley, and Karen Strayer. Ginny Rollins was selected by the student body to be a varsity cheerleader.

The first after-the-game dance of the year, featuring the theme "Basketball Bopp," was sponsored by the sophomore class. The gym was decorated in the school colors, red and yellow. The stage featured two silhouettes of the basketball boys with a big basketball being spotlighted in the center. On either side was a cheerleader, further carrying out the theme.

November was the biggest month of all, for it was then the sophomore class received their class sweaters. The sweaters were black with white "K"'s. Each student displayed his sweater with much pride.

The class has responded to the faithful leader of the sophomore class, Mrs. Lieb.

Freshmen

October 16 was the date of the ninth Freshman-Parent night. Because of the influenza epidemic, the crowd was not so large, although this year's freshman class is the largest in the history of the school. However, parents, teachers, and freshmen agreed that the meeting was a success. The appearance of parents whose sons and daughters were ill on parent night was especially gratifying.

To parents and teachers, the first hour of the evening when parents are shown around the building and introduced to teachers and administrators is the most interesting. The freshmen, however, think of their appearance on the stage as the high point.

The program was a series of living pictures in which every freshman was introduced by a narrator. The opening picture presented students representing all the grade schools from which students came to the class of 1961.

In the remainder of the program students were pictured in school activities in which they are participating

this year. Boys showed their projects made in shop class and illustrated the kinds of agricultural judging. A reading represented Wig & Paint. Freshmen twirlers did a routine. The freshmen in chorus sang and the band members played. Piano and vocal duets showed more musical talent. Excellent piano accompaniment and a four piece band set the mood for each picture.

The most colorful picture was the tableau of the freshmen in football wearing varsity suits. G.A.A. girls were featured in a tableau of games popular with the group.

An important part of school life, the school's health services, especially those for freshmen, were pictured. Remembered also were the boys who go on patrol daily for school safety.

The conclusion of the evening was a social hour in the little gym. Refreshments from two beautiful tables were served by the advanced home economics class.

ACTIVITY

SPOTLIGHT: The Literary Voice of K. H. S.

"Quick! Where can I find the Gossip Column?" This among other phrases is often heard whispered through the study halls as each edition of *The Spotlight* is distributed. Our "Literary Voice," published for the enjoyment of everyone, brings to us every month "all the latest" on news around school. It includes previews of coming events, comments on important happenings, a joke or two, an honor roll, and many other highlights of interest.

The *Spotlight* staffs, which are composed of the students in the journalism classes, a one semester course offered to seniors, work diligently to publish a pleasant and appealing newspaper each month. They also publish annually, one special issue, the April Fool *Spotlight*. This, along with the ordinary contents, gives us a bit of additional nonsense and good humor. The two semester staffs, and their advisor, Miss Gilliland, do a fine job in keeping us up to date on current events in Kendallville High School and well deserve our praise and gratitude.

BOYS' STATE:

We learned more about government

Six boys represented K.H.S. at Hoosier Boys' State at Indiana University last summer. As "Boy Staters" they took part in daily marching drills and attended classes on county gov-

ernment, law enforcement, or journalism. They also became temporary members of either the Federalist or Nationalist political parties and learned more about elections. To climax their stay on the campus, the boys were privileged to hear Governor Handley speak.

Tom Hoffelder, Tom Hornett, Jim Treesh, Duane Rynearson, Donald Friskney, Ed Kenestrick.

GIRLS' STATE: *We become better citizens*

Hoosier Girls' State is a mythical state formed by junior girls from all over Indiana. The entire program is a non-partisan, non-political attempt to teach and inculcate in the youth of our state a love of God and country and to bring Hoosier girls the knowledge of fundamental principles of Indiana government through actual practice and control. Here, girls are given the opportunity to live together as self-governing citizens as they learn about the duties, privileges, rights, and responsibilities of American citizenship and gain practical knowledge of the functions of their government.

THE MODE — Ladies' Ready-to-Wear

These Clubs Have Drawn Much Interest

Junior Classical League

We of K.H.S. this year are proud to have among our clubs and activities a new organization. Sponsored by Miss Power, the Junior Classical League was initiated in our school at the beginning of the school year and is proving to be a very worthwhile project. Those who belong to J.C.L. are also in Miss Power's Latin classes and wear small silver pins to signify their membership in the club. Some of the activities of the Junior Classical League included an "initiation supper," a play, and an after-game record hop. Welcome and congratulations, J.C.L.!

Camera Club

The Camera Club has had some very interesting meetings. Outside speakers, including Lewis Foor, John Valenti, and Wayne Mefferd, have come occasionally to talk to the club on various phases of photography; and individual reports on lenses and portrait tinting have also been given by members of the club. The Camera Club members are taught to develop and enlarge prints and also learn how to get better results when taking pictures. To

sum it up, Mr. Fast, club sponsor, says, "This year, the goal of the Camera Club was to become better acquainted with photography."

THESPIANS: *Dramatic Honor Society*

Thespian Troupe 1106, a member of the National Thespian Society, aims to create interest in dramatic activities among students and to set standards of interest in all phases of the dramatic arts. To become a Thespian, one must have earned points by acting, working backstage, or participating in programs sponsored by the Thespians.

There are 34 members in the club this year, including the eight new members, each of whom demonstrated his understanding of at least one of the phases of dramatic arts.

The Thespians, working with Wig & Paint and in their own private meetings, tried hard to carry out the thought behind the motto of the National Thespian Society, "Act well your part; there all the honor lies."

Auditorium

A high spot in the school week is the educational and entertaining auditorium program under the direction of Miss Robertson each Friday afternoon.

Student programs give students the valuable opportunity to display their talents in one-act plays, musical programs, and variety shows. An outstanding student program, "The Living Pictures," consisted of beautiful tableaux of famous and loved portraits. Interesting facts about the painter and the portrait made the program educational, too. The "Cavalcade of Costumes" displayed a lovely collection of costumes with a narration describing the costumes and the period. The television programs also received a hearty applause.

Special programs by paid performers add variety and enjoyment to the weekly presentations. The students especially liked Mr. Pruth McFarlin, a negro singer who has overcome his physical handicaps. Mr. Don Lonie presented a talk in an extremely appealing fashion to teen-agers, to inspire them to become better people. Dr. William Ross gave a light musical program which was quite enjoyable. "Up 'N' Atom," presented by Mr. Pandres, demonstrated intriguing and phenomenal scientific experiments.

KAY AITCH ESS: A Pictorial History of the School Year

The yearbook staff, under the capable leadership of our sponsors, Mr. Metz, Mrs. Kimmell, Mr. Wilcox, and Miss Gilliland, has planned and worked long hours in hopes of producing for you a new and different yearbook. We have tried to put forth a "pictorial history" of the school year which in the future will help to add to your pleasant memories. Within the covers of KAY AITCH ESS, 1958, lies what we hope are those things which you most want to remember from the activities and events of the past year.

MRS. JULIA ATZ

CHORUS: Vocal Harmony Enriches the School Year

The vocal department, under the capable direction of Mrs. Julia Atz, was composed of two main groups: a girls' chorus and a mixed chorus. In addition, the two sextets provided music for many school and civic organizations. These sextets entered the Northern Indiana School Band, Orchestra, Vocal Association solo and ensemble contest and brought honors to K. H. S. because of their fine work.

At Christmas, the choruses and sextets combined to present the annual Christmas program for the student body. To add to the holiday spirit, carolers sang through the halls.

With the coming of spring, the Concert Club was chosen from the regular chorus members to enter in the NISBOVA chorus contest.

Preparing numbers for the Associated Churches' Easter services was the next goal in sight. The May Festival, held during National Music Week, highlighted the year's work for these hard-working students as they presented a concert for their parents and friends. However, the final pleasant task was to sing at Baccalaureate.

The chorus classes, in working and studying, learned to appreciate and like many types of music, and even as the year closes, the halls ring with the echo of students learning the art of harmonizing together.

Jane Autenrieth and Louise Fisher, two pianists, have added much to the music program of the school as they played for many and various events.

Jane and Louise received first ratings at the state piano contest.

STECKLEY'S MILL AND HATCHERY

BAND: It Presents Concerts and Enters Contests

The Kendallville High School band, under the direction of Clyde R. Copeland, enjoyed a full schedule this past year.

The first public concert of the year, also given as an auditorium program, was in February.

A number of band members entered the solo and ensemble contest, with a flute trio, composed of Jane Autenrieth, Peg Geiser, and Sara Crowell, receiving first at the state contest.

The annual spring concert, a children's concert, and music for Commencement rounded out the year's activities.

CLYDE R. COPELAND

STROMAN ELECTRONICS

The Kendallville pep band added color as they played during the basketball season, while twirlers saluted the flag and flashed batons.

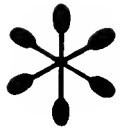

With banners flying, the marching band added much to the football games last fall. Before each game, the colors were presented and each school was honored by the band forming its letter and playing its school song. At half-time, the band entertained with marching feats and stories told in music and marching feet.

They marched at several parades, the last being the Memorial Day Parade.

Although feet grew tired and tempers of all sometimes grew short, all enjoyed the events, and none will ever forget the band, as it goes marching past!

FTA: Taught To Learn, Learning To Teach

We in FTA are striving to prepare ourselves to become well trained, efficient teachers. This year our chapter of FTA was represented at the state conference at Indianapolis and at the area conference at Fort Wayne. We were fortunate to have as special speakers two college representatives from Manchester College and Indiana University who not only explained the requirements for college but also described to us some of the basic fundamentals of becoming good teachers. We are proud of our organization here in Kendallville High School because of the principles for which it stands and for the many beneficial things we, as young people, are learning.

Health

A health program for Kendallville students is carried out under the direction of our school nurse, Mrs. Mallon, aided by several student assistants. The program, which includes aural and vision tests, patch tests for tuberculosis, inoculations for diphtheria, and vaccinations for smallpox, is most beneficial and should be appreciated by each of us. During the year each student's height and weight are also determined and are recorded in the nurse's office.

Safety

Kendallville patrol boys help to carry out our safety program in seeing that younger children cross streets safely during the hours when they come to and go from the school area. In this way, the safety patrol members aid in keeping misfortune and tragedy at a minimum on the school grounds. Protecting our students from disaster is an important function in the Kendallville High School health and safety program.

Y-TEENS: We Strive to Build

The theme, "We Strive To Build," suitably represents the Y-Teen organization. As each member repeats the Y-Teen purpose and goals, she becomes a part of a "fellowship of women and girls" who strive to build themselves as a person, as a friend to all people, and as a follower of God. Each member is invited to participate in leading devotions or music, be in a program, or help on some committee. There are projects, too, in which the Y-Teens help others, such as entertaining at the children's Christmas party, preparing favors for hospital trays, and giving Thanksgiving baskets to needy families. The meetings themselves are of a spiritual or educational nature often times presented by guest speakers. It is the hope of all Y-Teens that through this organization they will have become better persons, better friends, and better Christians.

FFA: Young Farmers Learn More of Their Occupation

The Kendallville chapter of the Future Farmers of America, with 33 members, as a part of the regular activities of FFA, conducted a pest contest, sold garden seeds, operated the popcorn machine at ball games, and secured the tables and chairs for the fish fry. Officers were Ken Swogger, president; Ed Weber, vice-president; Paul Van Wagner, secretary; James Richards, treasurer; Gerald Wentworth, reporter; Kenneth Mapes and Hugh Eshelman, sentinels; and Dale Schinbeckler, advisor.

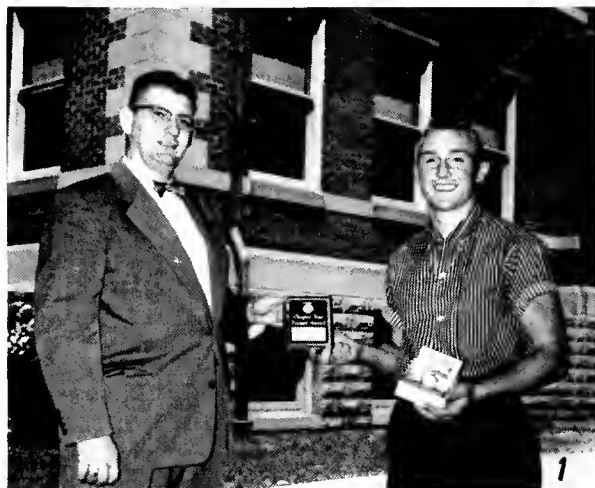

National honors came to the chapter when Ed Weber,

Charles Wentworth, and Ralph Ziebell won the NJVGA contest at Springfield, Illinois, December 12. The team was awarded the Snyder trophy, which is now the permanent possession of Kendallville. Ken Swogger with a score of 965 out of 1,000 points was high individual and Ralph Ziebell tied for third. Ken and Ralph each were awarded a wristwatch, an NJVGA jacket, and a gold pin. Ronnie Swogger, ninth, won a jacket and a silver pin. Howard Hodge and Charles Wentworth, twelfth and thirteenth, respectively, each received silver pins.

CAREER DAY: Where Do We Go From Here?

November 20, 1957, the fourth annual Career Day here at K.H.S. got underway with Mr. Robert Cooper of Central Soya, Inc., Fort Wayne as main speaker at the general assembly in the auditorium.

Following this meeting, each junior and senior attended two counselling sessions which were led by men and women of various professional fields. In this way, our students were again given a fine opportunity to learn more concerning the many occupations that await high school and college graduates.

STUDENT ASSISTANTS: They Lend a Helping Hand

A number of our students assist with various activities in the school library and the principal's office.

The library assistants help Miss Gilliland as they check out books, replace returned ones to the correct shelves, and distribute notices of over-due books.

Other student helpers work for Mrs. Ruderman and Mr. Tritch in the office. Their duties consist of running errands, taking phone calls, collecting absence slips, and operating the mimeograph machine.

As the saying goes, "Honor lies in honest toil"; and our student assistants well deserve the honor for the help they give.

SPORTS

ATHLETIC DEPARTMENT

O. O. "Pop" GUYMON, athletic director, has been working successfully with the boys of Kendallville for the past twenty-eight years. During these years he has gained the honor and respect of all.

CLARENCE KELLY, new at Kendallville this year, is the assistant football coach.

ERNIE FERRARIO, now in his second year as football coach, led the team to the NEIC championship.

MARK MCINTOSH, track coach, also is the assistant football and basketball coach.

GENE RHODES, coach of basketball, guided the team to a second-place tie in the NEIC with New Haven. Under his coaching, the 1957 baseball team finished second in the NEIC.

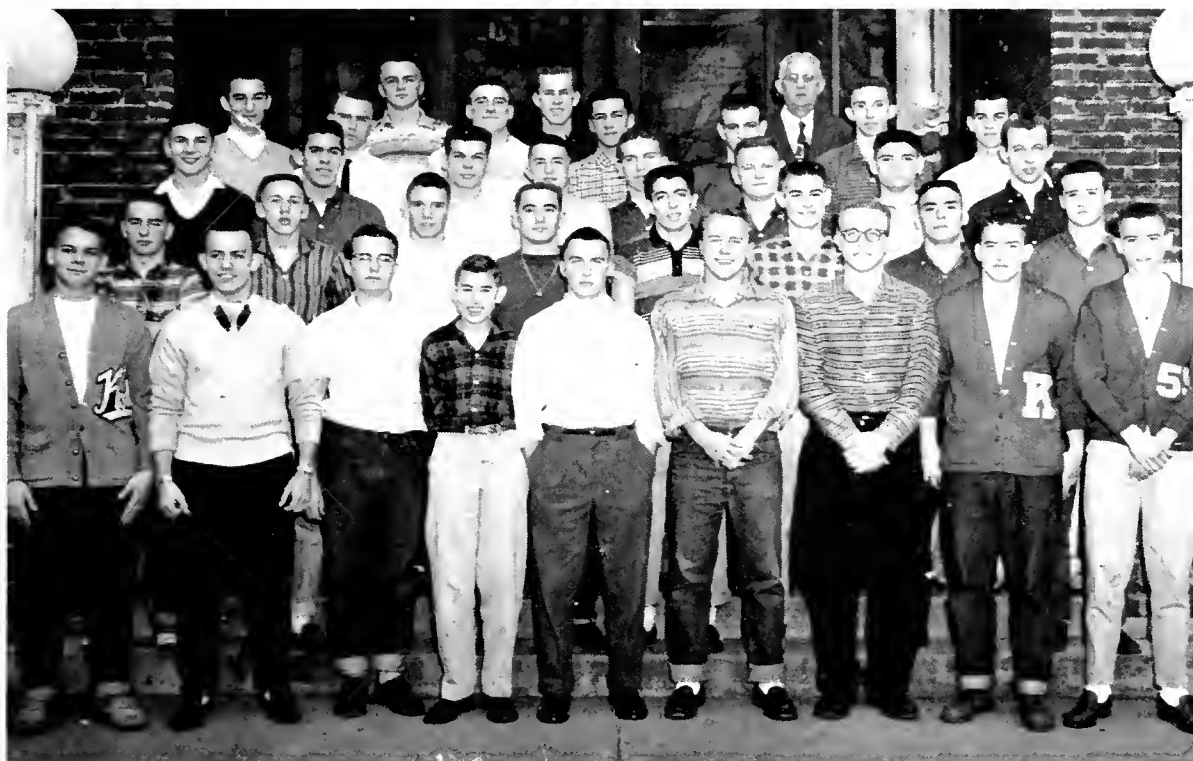

K-KLUB

The K-Klub, composed of boys who have earned letters in competitive sports, now has forty-two members, the greatest number in its history. The spring banquet is the highlight of the year, for there the boys receive the awards they have earned during the year, except for football awards which are made at the fall banquet.

The K-Klub, sponsored by Mr. Guymon, operated their own stand at the football field, and sold candy and managed the cloak room at all the home basketball games.

FOOTBALL: Action Brought NEIC Championship

The NEIC football championship climaxed the most successful season since football returned to the K.H.S. sports schedule. Under the guidance of the head coach, Mr. Ferrario, and the two assistant coaches, Mr. Kelly and Mr. McIntosh, the team scored five wins and three losses. Nine of the varsity players placed on the all-conference football teams.

Basketball

The Comets had a very successful year with a 14-4 record for the season play. The team was composed mostly of seniors and, under the direction of Gene Rhodes, placed in a second-place tie with New Haven in the NEIC, with a 4-2 record.

Jerry Brown broke the school record for the most number of points scored in a high school career. The old record was held by John Thrapp, a 1952 graduate who had a total of 1,014 points for his three years of varsity basketball. Brown scored 1,243 and has played on the varsity since he was a freshman.

The Comets were defeated in the Avilla Sectional by Wolf Lake, after being victorious over Rome City in their first game.

Spring Brings These Popular Sports

Baseball

With the majority of the team composed of underclassmen, the Comets, under the direction of Gene Rhodes, finished a successful spring, 1957, season with a 7-4 record.

They finished second in the Northeastern Indiana Conference with a 7-3 record. Wolf Lake, a non-conference team, gave K.H.S. its other defeat.

Golf

The golf team coached by Richard Mory, had a very successful season last spring when they won five of the six meets in the schedule.

The team placed second in the NEIC meet at the Brookwood Country Club in Fort Wayne. They also finished eleventh in the Sectional, which was held at the Brookwood Country Club.

TRACK: Cinder Men Run Good Season on Oval

Although few boys participated on the 1957 track team, they won three of their six meets and placed fifth in the NEIC.

Herb Mills and Adrian Nowels won the right to enter the Regional track meet at Fort Wayne. Herb also broke the school shot put record with a toss of 47 feet 10½ inches.

PEP CLUB: We're With You, Team, So Fight!

The Pep Club began their season by electing officers: Ruth Ann Ihrie, president; Peg Geiser, vice-president; and Anne Livengood, secretary-treasurer.

The cheerleaders worked with the club teaching them new yells and songs to make the block a firm one. The red and white beanies and white blouses, which were worn by the members at each game, proved to help make the block an attractive one. A pep bus was taken to several out-of-town games where, as a cheering block, the Pep Club showed their enthusiasm and faithfulness to the team.

At the last pep session, the cheerleaders, in behalf of the club, presented to each boy who was to play in the sectional tourney and to the coaches a small basketball as a good luck charm.

G. A. A.: Girls, Too, Participate In Sports

A candlelight initiation ceremony was held early in the fall semester to start the activities of G.A.A., an organization whose aim is to promote good sportsmanship.

Each Monday and Wednesday after school was set aside for group participation in tennis, volleyball, softball, basketball, and other sports.

One of the major activities during the year was the Basketball Clinic which was held here in December, with five neighboring schools participating.

The G.A.A. Leadership Camp at Camp Tecumseh was attended by Lois Schuman, Barbara Burger, and Mrs. Smith. Hikes, sports, and leadership classes proved educational and enjoyable for all. The two day camp was climaxed by an out-of-doors worship service.

JANITORS AND BUS DRIVERS:

Our Thanks For A Fine Job

The job of firing the furnace and keeping the school neat and clean and of transporting many of our students to and from school each day is very tedious but is capably fulfilled by our janitors and bus drivers. We are very much indebted to them for their many hours of work.

JANITORS: Wayne Mefferd, Del Longbrake, Buss Lash, Clyde Martin, LeRoy Beiswanger, Clark Gould, Pop Miller.

BUS DRIVERS: Bob Cochard, Clark Gould, Merritt Ewell, Bob Firestone.

SENIOR FAREWELL

"Not finished, just begun." These words might well be the motto of the class of 1958, for in these four words are found all the hopes and dreams of the entire class.

We will not soon forget either the friendships of classmates with whom we've had so much fun here in K.H.S. or the ideals and inspirations of our teachers, which will remain with us throughout our lives. We will miss these associations when we leave but not forget them, for the memories of these past four years will

linger in our hearts. That is the part that always will remain "Not Finished."

"Just Begun" is the future before us. College, jobs, marriage, or the armed services are waiting for us just beyond high school. What the coming years will hold for us, we cannot say. We can only look expectantly toward them and do our best, hoping that they will be as happy and prosperous as were the treasured years here. . . .

The ships sail East
And the ships sail West
On the very same winds that blow,
'Tis not the blow of the gale
But the set of the sail
That tells which way they go.
